

SAFE

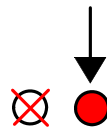

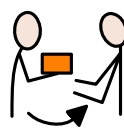

To stay safe do not give out personal information.

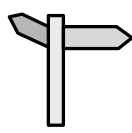

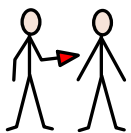

Do not give out your email, address, mobile or phone number.

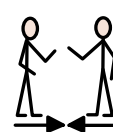

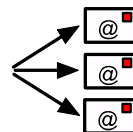

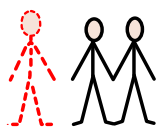

Do not give out your friends or family's information.

Information can be given to other people and organisations.

You don't know where your personal information will go.

Strangers with your information may contact you or try and meet you.

SAFE

Companies

may

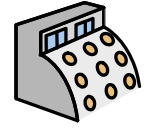

want

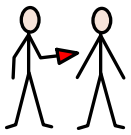

your personal

information

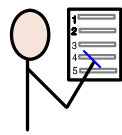

to sell you things.

You may

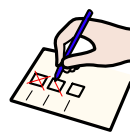

be asked

to register

and

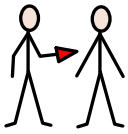

fill in

your personal

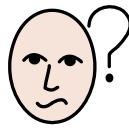

information.

If you

are

unsure,

ask

an

adult

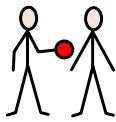

for

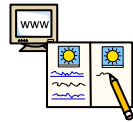

advice.

Keep

your

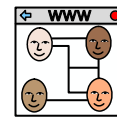

blog and

profiles

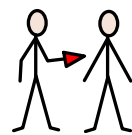

private on

social networking sites.

In chat areas

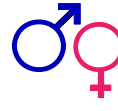

you may

be asked

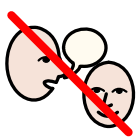

age,

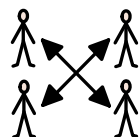

sex,

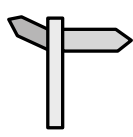

location (ASL).

Don't tell

anyone

where

you

live

and

your full name.
