

## **CENMAC offer: Advice, Support, Equipment Loans and Training**

### **Parental Permission**

**STUDENT'S NAME:** .....

**ATTENDING:** .....**School/Academy**

***I hereby give permission for my child's photograph/video to be used in the following ways:***

As part of the CENMAC support your child receives we may use photos and video to record and document their achievements and progress for our records and for internal display.

It is very useful to be able to show good use of equipment on loan from CENMAC and we also see the benefits of sharing and celebrating our student's progress and achievements within the wider community on our website and range of other CENMAC / Charlton Park Academy social media sites. This supports and promotes disability awareness and positive attitudes. We do however take the confidentiality and safety of our students seriously and every precaution will be taken to limit identification of students.
