

'CENMAC Communication works' event

Jesse talked about how he uses screen sharing technology to view the class screen on his iPad. *CFVI area 8.*

Thai-Liah explained how she uses the camera and magnifier apps and how to download library books in a larger font. *CFVI area 7*

Lily told us how she uses clicker software to record her literacy work which she types with her left hand. *CFVI area 4.*

We met visually impaired artist Clarke Reynolds who makes colourful collages of Braille letters. <https://www.seeingwithoutseeing.com/>
